

# Dara Class of 1974

# reunion 2004

## *Are you in?*

We have had tremendous interest in the reunion, but in terms of people fronting up with money, we have been about as popular as Freddie Ross's double maths period straight after lunch.

You have all done a great job of getting word about, - everybody knows about it. Now all we need is a few confirmed attendances to make sure we don't have 30 blokes fighting over a half dozen sausage rolls in buttered buns. Yes we do have two priests from our group, (David Grant and Paul Passant), but as far as I know neither does the loaves and fishes trick.

Tony Goodwin, Clerk of the Court in Mudgee will be here presiding; Mick Ward will be revisiting Form 2 sex classes and as long as Honza still fits into the school uniform, he'll be there. We have about 30 confirmed starters, but are keen to break the "80" barrier. So let us know if you will be here and send us some money so we can be sure there are cream buns for everyone.

## What you need to do now

Seek out any of the people below, and give them some money! Post it, drop in and say hello or do a bank transfer. Direct transfer the money to our account, but please send a message to Terry so we can keep accurate details. Our bank account is:

CPS Credit Union  
BSB 801003  
Account No 348545  
Acct Name: Terry Quinane

Don't forget, with limited money at our disposal for postage, the more people we can contact by email, the more we spend on the function, so if you have an email address that we can find you on, send it through to Terry.

## Privacy

The College has advised us that they are putting together a database containing contact details for all ex-students. That seems fine by us, and we will hand over our list after the reunion. If you don't your contact details passed on to the school let Terry know, and we will keep that to ourselves for another 5 years.

## What else is on

We have in the past arranged a "family recovery" on the Sunday, and will to do that again (but be warned, Canberra received its last decent rainfall on the Sunday 5 years ago, so we will aim for something with a wet weather alternative). The only suggestion is to meet somewhere central - Acton Jetty? at around 1pm, fry a sausage or two and see what happens. Our own "born again golfer", Paul Caine is keen to head off to Gungahlin Lakes for a quick 9 holes later in the afternoon.
